

# Lakeshore Health Care Alliance

Strengthening the health care workforce in Manitowoc and Sheboygan Counties

[www.lshca.org](http://www.lshca.org)

July 27, 2010

The Lakeshore Health Care Alliance is pleased continue the Lakeshore Health Career Academy ([www.lshca.org](http://www.lshca.org)) during the 2010-2011 academic year to high schools in rural Manitowoc and Sheboygan County. The Academy provides students attending high schools without a formal health career pathway the opportunity to explore health careers and prepare for higher education or employment through coursework and experiential learning. Our model advances the student from career exploration to entry level employment and/or high education.

**A limited number of grants** are provided by the Northeastern Wisconsin Area Health Education Center ([www.newahec.org](http://www.newahec.org)) for the following courses during the 2010 - 2011 school year:

- Fall, 2010: September 1 through December 17, 2010
  - Health Care and Health Behavior (online) – tuition, fees, textbooks included for 20 students
  - Medical Terminology (online) – tuition, fees, textbooks
  - Orientation and Career Advising courtesy of Northeastern Wisconsin Area Health Education Center
  
- Spring, 2011: dates to be determined
  - Medical Terminology (online) – tuition, fees, textbooks
  - Health Care Customer Service\* (online) – tuition, fees, textbooks included for 20 students
  - Orientation and Career Advising courtesy of Northeastern Wisconsin Area Health Education Center
  
- **Summer, 2011: dates to be determined**
  - Stipends for health care workplace learning \* *HC Customer Service required for workplace learning*

## **About the Courses**

Health Care and Health Behavior..analyzes the roles of health care institutions and professionals in a rapidly changing environment and their ability to address the needs of a diverse society. The study of the social demography of health, illness and access to health care defines the disparities in contemporary health care delivery and provides a running theme for the course. Higher levels of communication skills are introduced to promote health and to maintain therapeutic relationships with diverse patient populations. 3 college credits

Medical Terminology.. focuses on the component parts of medical terms, including prefixes, suffixes, and word roots. Spelling, definition, and pronunciation will enhance student learning as students practice formation, analysis, and reconstruction of medical terms. Medical terminology will come “alive” through an introduction to operative, diagnostic, therapeutic and symptomatic terminology of all body systems, as well as systemic and surgical terminology. 3 college credits

Health Care Customer Service..required for the workplace learning opportunity, this course is an introduction to customer service for learners interested in working in various healthcare settings. The learner investigates healthcare systems, safety standards, and the workforce. The learner examines professionalism, interpersonal and written communication skills, and confidentiality as they relate to patient care. 2 college credits

## **Lakeshore Health Career Academy Model**

Intended for sophomores, juniors and senior years, students in these grades may enter at any time. In other words, students do not need to begin in their Sophomore year. This is a recommended model understanding time, interest, location limitations are unique to every applicant.

### **Sophomore Year**

1. Course Option: Fall – Health Care and Health Behavior
2. Spring - CPR and Basic Aid (offered by high schools, or Red Cross or YMCA or other)
3. Job Shadow for a position they are considering through LSHCA website
4. Service Learning: Volunteer at a health care facility for a minimum of 20 hours
5. Orientation and Career Advising: a mission and service of the Northeastern Wisconsin Area Health Education Center

### **Junior and Senior Years**

1. Course Options:
  - a. Health Care and Health Behavior
  - b. Medical Terminology
  - c. Health Care Customer Service
2. Work-Based Learning: Work in the capacity of an aide: Physical/Occupational/Respiratory/Information or other.  
*Note: Recommendation from Health Care Customer Service instructor, interview at the clinical site and Health Care Customer Service course are required prior to or concurrent.*
3. Orientation and Career Advising: a mission and service of the Northeastern Wisconsin Area Health Education Center
4. Advanced Track options: Biochemistry, Anatomy & Physiology, additional coursework provided by local UW's, Lakeland and Silver Lake Colleges.

# Lake Shore Health Care Alliance

*Strengthening the health care workforce in Manitowoc and Sheboygan Counties*

[www.lshca.org](http://www.lshca.org)

..is a coalition of health care employers, institutions of higher education, and community interest groups in Sheboygan and Manitowoc Counties. Since 2000, the alliance has addressed health care workforce development through a variety of initiatives:

- Distribution of professional journals to high schools and high school students
- “Best Practice” Job Shadow program for high school students and adults
- Summer Health Career Camp for high school sophomores, juniors and seniors (5 years)
- Initiatives that expand our local health care workforce including Bachelor of Science in Nursing programs
- Monitoring and addressing diverse current and future workforce needs
- Website ( [www.lshca.org](http://www.lshca.org)) supporting the prospective health care student
